SHOW DESCRIPTION - WIDE OPEN SPACES -Nature and outdoors have inspired countless people, provoking deep thought, strong friendships, and a rooted bond with earth. Revisit or discover your love of nature. The human spirit needs Nature and in every walk with nature, one receives far more than he seeks.

JUDGE – Teresa Steinbach Garcia - A native Californian and a Design graduate of The University of California at Davis, Teresa Steinbach-Garcia works in a painterly realistic style. Inspired by many, many artists, she combines her background in watercolor with pastels to capture the nuance of light and place, and interpret impressions of the man-made and nature-made worlds. Teresa worked in both The Graphic Design and Fine Art realm before devoting much of her energy to raising a family on 5 acres in the rural countryside of Wilton, California. With the kids raised she is devoting more time to teaching and exploring all things art. TSteinbachGarciaART.com
