STUDENT MATERIAL LIST for 101 Encaustics with Linda Nunes

I will be providing everything you need to complete your projects: panels, boards, encaustic medium and pigments, additional media, heat guns, tools and written materials.

To help you prepare for our time together, here's a basic student list of items to bring with you . . .

- Pen or pencil - if you'd like to take notes
- Small scissors
- Small Matt Medium (my preference) or Modge Podge to use as an adhesive
- Small 4 oz. container for water
- Small inexpensive brush - ½" is fine
- Apron - if you're messy like me
- Ephemera (**this is optional, but it really makes your work more personal**).

This could include:

- Any kind of small doo-dah you would like to try including in your art piece.
- Inexpensive, thin papers (**old dictionary pages, vintage children's books, sheet music, maps, diagrams, etc.**) **Not cardstock or glossy magazine pages**
- Light fabric, netting, lace, decorative paper napkins, etc.
- Ink jet copies of photos - black/white or color (**not original photos**)

We'll be working in a 5" x 5" to 8" x 8" format, so you can plan your images accordingly.

- **Instructor will supply most materials. Students must bring basic items listed above.**
